SUMMARY

Aspiring Full-Stack Developer with a solid foundation in web development, honed through an intensive bootcamp focused on HTML, CSS, JavaScript, React, PHP, jQuery, and Bootstrap. Experienced in creating scalable web applications, including a Company Directory for secure database management using CRUD operations and Bootstrap 5, and a Gazetteer that integrates multiple APIs with Leaflet for interactive map visualizations. Eager to transition into a software development role, bringing strong organizational, time management, and communication skills.

KEY PROJECTS

Company Directory

A mobile-first web application for managing company personnel, departments, and locations using CRUD functionality with AJAX, PHP, and SQL. Built on Bootstrap 5 for a responsive design.
Skills: HTML, CSS, JavaScript, MySQL, jQuery, PHP, AJAX, Bootstrap

Hangman Game

An interactive word-guessing game developed with TypeScript and React, featuring a sleek, modern interface based on a Frontend Mentor design.
Skills: TypeScript, React, CSS

Space Tourism

A visually immersive website built with React, offering an engaging experience for exploring space travel options, based on a detailed Figma design.
Skills: React, CSS

Gazetteer

A versatile web app providing country information via multiple APIs. Uses AJAX, PHP, and cURL to retrieve and display data, with map overlays powered by Leaflet.
Skills: HTML, CSS, JavaScript, jQuery, PHP, AJAX

WORK HISTORY

Store supervisor

Asda

📅 11/2015 - Present   📍 Stockport, UK

- Gained a strong understanding how to manage a team and build strong relationships with colleagues and management team
- Oversaw the HomeShop department during the most challenging period of my retail career, including 60-hour work weeks during COVID-19, ensuring customer satisfaction despite the intense demand.
- Always tried to motivate the team to be the best they could be, whilst always acting with integrity and respect towards others
- Ensured rotas were up to date weekly
- Monitored colleague performance and reviewed sales reports daily
- Sickness and attendance
- Ensured customer satisfraction targets were consistently met, contributing to the overall success of the departments.

PERSONAL ACHIEVEMENTS

💡 **Team Leadership**

- Successfully led the HomeShop (Asda) department during the challenging COVID-19 period, managing a team through 60-hour work weeks to ensure customer satisfaction.

- Enhanced communication and leadership skills, motivating the team to consistently achieve targets while maintaining a positive and respectful work environment.

- Managed scheduling, monitored performance, and ensured key operational metrics, such as attendance and customer satisfaction, were consistently met.

SKILLS

HTML   CSS   JavaScript   TypeScript   React   WordPress   Figma   PHP   Bootstrap   Tailwind   jQuery   JSX   Git   MySQL

COURSES

Full-Stack Coding Bootcamp

Gained a strong understanding on front-end and back-end development

EDUCATION

ST ANNES RC High School

5 GCSEs (All grade C)

📅 09/2007 - 07/2012   📍 Stockport, UK

Stockport College

Extended Diploma

📅 09/2015 - 08/2016   📍 Stockport, UK
